Notary School (CA, FL, NY)

Â
Notary Public Commissions (CA/FL/NY)

Â

A Notary Public is an officer who can witness and authenticate documents, administer oaths and statutory declarations, and perform certain other acts varying from jurisdiction to jurisdiction. Significant weight attaches to documents certified by a notary. They are certified and sealed with the notary's seal or stamp and are recorded in a register and kept permanently.

In our online classes you will learn how to become a Notary Public. We offer home study courses that are state specific for
California ,
Florida and

New York , as well as national notary exam preparation.Â Â
